\$389,000 **4 Blue Point Rd, Highland, NY**

House	Ranch Style	Highland	2 Bedrooms
1 Full Bath	1 Half Bath	1321 SF.	1.10 Acres
Built in 1968	Eat-In Kitchen	1 Fireplace	Natural Gas
Attached Garage	2 Garage Spaces	Covered Porch	

This Solid, Well-Built Brick Home is a must see. There are hardwood floors throughout, a whole house fan, covered stone patio area, eat-in kitchen, dining room, and living room with a stone fireplace. The washer and dryer can be bought down to the basement and the laundry room can be used as third bedroom or office. Attached two car garage. Spacious unfinished basement. Imagination and a little work will reward you with a real dream home. Located on a level and slightly sloping corner lot in a well-established neighborhood.
