Easy living on one floor with this very well maintained, ranch style home. Open living area, master bedroom with ensuite bath and his and hers closets. Office has no closet, but could easily be used as a third bedroom. Full, unfinished, walk-out basement with woodstove, currently used as a workshop, but with town approval, could be finished off for additional living space. Ideally located to the quaint village of Milton as well as the Historic Train Station and Milton Landing Park. Commuting is a breeze with Metro North, I-84 and I-87 a short distance away.
